

"Best Practices in Education and Facilities Design for the 21st Century"

A Glimpse at our Key Biscayne High School

Prakash Nair

Partner, Fielding Nair International

- Winners of the 2007 International Planners awarded by the Council of Education Facilities Planners
- World leaders in the development of schools as Community Learning Centers

Workshop

Thursday March 20th 7:00pm
Island Room – Community Center
Community Event – General Attendance

Selected by Microsoft to conduct a workshop at the Innovative Schools Program Conference in Finland to share their experience in the area and to advise the Innovative Schools as they progress on their journeys based on the FNI Design Principles:

School as Community

Environmental Design

Research and Best Practice

Sponsored by The Key Biscayne Education Foundation
