Key Biscayne Education Foundation  
c/o The Brito Family  
775 Curtiswood Drive, Key Biscayne, FL 33149

# 5

Great Reasons to Raise Funds while having fun:

1. Key Biscayne High School (KBHS) will be an innovative and high-quality community charter high school that will rival the best public and private schools in the country.
2. Giving over 3,000 of our children under the age of 18 the opportunity to attend school within their community by the school year 2009 – 2010!!!
3. Because the majority of *standard* public schools do not meet today's education requirements; Charter Schools allow for our municipality to tailor curriculum to our community needs, and be operated directly by the Village with community's engagement.
4. KBHS will benefit the entire community. The school will become an extension of our Community Center, open 365 days a year!!! Not only will our children benefit, but adults and seniors will be able to participate in lifelong learning opportunities, and will have the opportunity to be mentors and coaches to our children. ☺
5. Key Biscayne Education Foundation is a non-profit organization so your donations are tax deductible.

To learn more about your child's future, please visit: [www.hs4kb.com](http://www.hs4kb.com)

Please mail this portion along with your check (please cut on line):

---

\_\_\_\_\_ We will attend the 1<sup>st</sup> Annual Summertime Bash & Fundraiser.
